

Mathieu Thouvenin

3600 Ave. du Parc Apt. A214 - Montreal, QC, H2X 3R2, Canada | (514) 582-3049
mathieu@mathieuthouvenin.com | www.mathieuthouvenin.com

Objective

To obtain a position that will allow me to employ my education and creativity to add value and improve the user experience and quality of a product, as well as to gain valuable experience within the technology industry.

Skills & Abilities

- C, C++, Java, SQL (Oracle & MySQL), HTML, PHP, UML Methods | Mac OS X, Unix and Windows
- Microsoft Office, Apple iWork, Apple iLife, Macromedia Dreamweaver and Adobe Photoshop
- French mother tongue, fluent in English, beginner level in Chinese (1 year) and German (2 years)

Education

Institut Supérieur du Commerce management school (Paris, France) - 2005-2008

Third year of bachelor degree in business. International track (all the courses in English). Three-year undergraduate program.

McGill University, Desautels Faculty of Management (Montreal, Canada) - 2006-2007

Exchange student for 2 semesters. Studied marketing, information technology, project management and organizational behavior.

University Toulouse II in Blagnac IUT (Toulouse, France) — 2004-2005

First and second year of undergraduate degree in Information Technology. Programmer Analyst Diploma. Two-year undergraduate program.

Work Experience

Six Apart Europe, Paris (France) | May to July 2006

Project Manager Assistant

Planned the implementation, localization, testing and European launch for a new blogging platform (VOX.com). Helped enhance the company's Google AdWords campaign and launched the Typepad widgets service in Europe.

Global'ISC (student-run association), Paris (France) | October 2005 to June 2006

United Kingdom & Ireland prospecting department

Assisted students in obtaining internships with UK and Irish companies, as well as travelled to London in an effort to develop new and expand old relationships with participating companies.

Capitalemedia, Paris (France) | June 2000 to September 2006

Contributing editor for PDAfrance.com and w3sh.com

Wrote reviews on the latest mobile technology, as well as reported on international conferences such as 3GSM. Moderated large community forums (50,000+ members) and assisted in the hiring of additional moderators. Aided in the organization of the 2003 Mobility Party in Paris.

Cancer International Research Group, Edmonton (Canada) | April to June 2005

IT Student Trainee

Maintained corporate Internet sites by redesigning and reworking ASP/VBscript templates used by Microsoft's Content Management Server.

Sagem SA, Montauban (France) | Summer 2003

IT Student Trainee

Provided technical support for employees and helped design logos and screen savers for Sagem cell phones.

Awards

- Recipient of a 2005 student scholarship to attend Apple's annual World Wide Developer Conference in San Francisco, California.
- Raised 20,000 euros to create a community-works project in a rural French village in the aim of promoting technology use by the elderly. Helped teach inhabitants how to use a computer and the Internet as well as developed www.vistonvillage.com to promote the cause.
